## Experience

- **Ignited USA Project** **Spring 2013**  
Worked as the project manager for an advertisement campaign that promoted the dangers of gossip. The goal was to create cautious thinkers around our school through informational booths. We then presented the results along with our print ad and website to professionals at Ignited.
- **USC Game Lab** **Spring 2012**  
Teamed up with students from different schools and USC alumni to help to create an educational game that helps high school students apply to college.
- **Technovation Challenge** **Winter-Spring 2012**  
Created, designed, and launched a mobile Android application called "Fun with Chem!" to help students become excited in learning chemistry.
- **Iridescent High School Explainer (Internship)** **Fall 2011-Summer 2012**  
Created activities focused on engineering and science that generated excitement throughout the students.
- **International Day of Peace** **Spring 2011**  
Volunteered for Peace Day that celebrated the meaning of Peace. We flew doves we had created symbolizing peace in the world throughout the Santa Monica Pier.
- **Foshay Choir Performances** **Spring 2006- Present**  
Performed at different events, carrying out songs we've composed promoting issues students face today, such as bullying. Some of our performances include events with President Barack Obama, Mayor of Los Angeles Antonio Villaraigosa, and many more.
